

MEETINGS AT THE AMEE FARM

The Amee Farm is an exclusive country estate that is an ideal venue to host your corporate event. The luxurious, turn of the century farmhouse is conveniently located just 2.5 hours from Boston and 5 hours from New York City and just 8 miles north of Killington, Vermont. Nestled in the heart of the Green Mountains on scenic Route 100, The Amee Farm invites guests to experience the pristine Vermont countryside while hosting a business meeting, holiday party or ski weekend.

Newly renovated in 2007/8, The Amee Farm is powered by the most cutting edge “green” technologies available while maintaining the building’s history and tradition. The event space is a 4,000 square foot working art gallery in the lower level of The Amee Farmhouse featuring a well known local Vermont artist, Barre Pinske and his fine art and furniture.
