

Family Reunions

The Ameer Farm

"The perfect Vermont town, a luxury farmhouse, and amazing food...our family will never forget"

The Ameer Farm is the ideal "Vermont Farmhouse" to host your next family reunion. With 16 beautifully appointed bedrooms (sleeps 37) with fresh white luxury linens, colorful quilts and splendid beds (queens and kings) with private baths...everyone will feel right at home. The blend of modern and rustic handcrafted furniture, local Vermont artwork, inviting living rooms and expansive great room add to the charm of The Ameer Farm. This home is the perfect place to gather with friends and family and celebrate the New England's summer in the mountains in classic Norman Rockwell style. The onsite chef /coordinator will take all of the planning woes out of your hands. She will arrange your transportation needs to and from your activities and tours and prepare and cook a fabulous menu that you know are tried and true family favorites.

Whether your days are spent hiking our lush, colorful trails, or driving through covered bridges on your motorcycle or your old vintage car, you will love the feeling of returning home to the farm. You can spend your time here doing those things you always love to do (but never find the time) like fishing in trout ponds, riding your mountain bike, diving into cool swimming holes, golfing on a gorgeous mountain course or even taking a yoga class. Enjoy a summer's night BBQ and horseshoe tournament and then later roast s'mores and count the stars with your kids. Your summertime campfire memories await. There are so many activities that you can enjoy but one thing is for sure... that after a long day of outdoor adventure there is nothing better than a houseful of loved ones to greet you at the door. Let The Ameer Farm create a magical family reunion for your family..
