The Amee Farm is an exclusive country estate that is an ideal venue to host your ski weekend or holiday party. The luxurious, turn of the century farmhouse is conveniently located just 2 ½ hours from Boston and 5 hours from New York City and just 8 miles north of Killington, Vermont. Nestled in the heart of the Green Mountains on scenic Route 100, The Amee Farm invites guests to experience the pristine Vermont countryside while hosting a memorable event.

Newly renovated in 2007/8, The Amee Farm is powered by the most cutting edge “green” technologies available while maintaining the building’s history and tradition. The event space is a 4,000 square foot “mobile” art gallery in the lower level of The Amee Farmhouse featuring a well known local Vermont artist, Barrie Pinske and his fine art and furniture. The gallery is completely mobile (on wheels) and transforms into a magnificent space- to intimately host 20 or 200 guests. His rustic and whimsical art decorates the Amee farmhouse and event space, making this is an incredibly unique setting for your holiday party.

With 16 beautifully appointed bedrooms, private chef and stunning event space, the farm provides the perfect venue for a memorable event.
